**Subject:** 9/11 litigation -- request to State Department

SUBJECT TO MDL PROTECTIVE ORDER

Sarah,

Following up on our call, Saudi Arabia requests that the U.S. Department of State confirm that it accepted Musaed bin Ahmed Al Jarrah as a member of the administrative staff of Saudi Arabia's Embassy in Washington, D.C. during the time relevant to this case. Our understanding is that Mr. Al Jarrah worked at the Embassy from about 1990 to about 2005. Although our client has numerous records reflecting Mr. Al Jarrah's employment at the Embassy, we have not yet been able to locate a State Department document accrediting him. For the reasons discussed on our call, it would be helpful to have either a contemporaneous document or a current letter from the State Department reflecting Mr. Al Jarrah's status during the relevant time.

To assist the State Department in locating Mr. Al Jarrah in its records, we are providing a copy of Mr. Al Jarrah's special passport issued by Saudi Arabia in 1997. The passport describes his position as "Admin. Official, Saudi A. Embassy in U.S.A." His passport number is [REDACTED] The passport contains several US-issued A-2 visas in which the "Annotation" section contains the words "Official" and "Saudi Embassy Washington D.C." The passport was produced by Saudi Arabia in the litigation as KSA 8021-41. Because it was scanned in color and is a large file, I will send it to you (and Jeannette and Mona) separately using a file transfer link.

Also, to provide a reference point for the types of contemporaneous documents that may exist reflecting Mr. Al Jarrah's status, I am attaching:

- [REDACTED]  
[REDACTED]  
[REDACTED] and

[REDACTED]  
[REDACTED]  
[REDACTED]

As I indicated when we spoke, we are not aware that Mr. Al Jarrah's status was ever revoked in the way that Mr. Al Thumairy's was. Had that occurred, it likely would have come up by now. We are providing KSA 6810 merely for reference.

As the confidentiality stamps on KSA 6679, 6810, and 8021-41 indicate, those documents were produced subject to the MDL protective order. Saudi Arabia is the producing party for all three documents, so we can share them with you, but we request that they be given confidential treatment.

Thanks for your assistance and please let me know if any further information would be helpful.

Regards,

Greg
